## Step 1

### Watch a Gospel Film

Starting in places where there are no or very few Christian believers, we gather local communities for a two-hour screening of a gospel film, such as the JESUS Film, Magdalena, or LUMO. Participants learn for the first time about the life, death, and resurrection of Jesus and are called to put their faith in him for the forgiveness of sins.

## Step 2

### Listen to the New Testament

Participants who profess faith in Jesus or want to learn more join a Scripture listening group. Using an Audio Scripture device, like a Proclaimer™ from Faith Comes By Hearing®, small groups of 10-20 people progressively listen through the New Testament together. Each meeting concludes with a discussion around three questions:

1. What was the story about?
2. How did God speak to you?
3. What are you going to do about it?

## Step 3

### Read Your Own Bible

Those who finish listening to at least 60 percent of the New Testament are presented with their very own print Bible or New Testament in the language of their choice as a graduation gift. With the encouragement of a local Bible Society, they continue the lifelong practice of spending time with God in the pages of his Holy Word.

## Step 4

### Join a Local Church

Finally, we help new Christ followers become members of a local church community where they are shepherded for life. In regions where no healthy church exists, partners like the Timothy Initiative help plant and establish a new local church. Since 2009, the End-to-End partnership has transformed over 9 million lives with the gospel message!

**“Go, then, to all peoples everywhere and make them my disciples: baptize them in the name of the Father, the Son, and the Holy Spirit, and teach them to obey everything I have commanded you. And I will be with you always, to the end of the age.”**
